

WELCOME TO PMSQUARE LLC

The PMSquare handbook was developed to describe some of the expectations of our employees and to outline the policies, procedures, and benefits available to eligible employees. These policies are a condition of employment and shall be applied to employees in a nondiscriminatory manner, as labor relations laws require that all employees maintain a written policy that is applied non-discriminatorily to all employees. The provisions in this handbook are not binding upon independent contractors or partners, but they are meant to provide guidance for all who work for PMSquare. This handbook is not intended to be all-inclusive and should not be considered to be an employment contract. In addition, circumstances will undoubtedly require that policies, practices, and benefits described in this handbook change occasionally. Accordingly, the company reserves the right to modify, supplement, rescind, or revise any provision of this handbook from time to time as it deems necessary or appropriate in its sole discretion with or without notice to its employees.

By providing this handbook, it is PMSquare's goal to provide a satisfactory working environment that promotes genuine concern and respect for others including all employees, partners, independent contractors, and our clients.

MISSION, VISION, AND VALUES

PMSquare is committed to providing high quality and timely services to our clients with the goal of becoming the leading sales and services company in the business intelligence and performance management industry.

PMSquare wishes to espouse the following attributes:

1. **Ethics** – PMSquare strives to be above reproach in every aspect of the business and for its employees and partners to maintain the highest level of integrity on behalf of the business.
2. **Partnerships** – PMSquare wishes to be a collaborative company that builds bridges in the industry – whether that be between partners, vendors, clients, or individuals. PMSquare employees should maintain the highest levels of professionalism and excellence in their dealings and interactions with fellow employees, partners, and clients.
3. **Innovations** – PMSquare is recognized in its industry for employees who creatively approach problems and who are willing to think outside the box for all aspects of the business.
4. **Capabilities** – PMSquare wishes to attract expert information technology consultants, driven sales professionals, and other capable personnel. If you are here, it means that you are an expert in what you do, and this commitment to maintaining expert-level skillsets is an expectation of every employee.

EMPLOYMENT

EQUAL OPPORTUNITY EMPLOYMENT

Employees are hired based solely on PMSquare LLC personnel requirements and the qualifications of each individual candidate.

We will not tolerate or condone discrimination due to age, race, color, religion, sex, sexual orientation, national origin, veteran status, disability, or any other characteristic protected by applicable law.

Furthermore, we will not discriminate due to age, race, color, religion, sexual orientation, gender identity, national origin, veteran status, disability, or any other characteristic protected by applicable law when making

PMSQUARE EMPLOYEE HANDBOOK

decisions regarding termination of employees. We will comply with the spirit and letter of all local, state, and federal laws pertaining to employment.

OPEN DOOR POLICY

PMsquare has a policy of open-door communication, and all employees have the right and are encouraged to speak freely with management about their job-related concerns. It is our objective to provide a work environment free from elements that would deter employees from performing their best work. All concerns may be expressed through our open-door policy. Management at PMsquare maintains this open-door policy to discuss any issues you may have. Feel free to express yourself about work-related or personal matters. We welcome your input.

CODE OF CONDUCT

Employees of PMsquare are to conduct themselves in a responsible, professional, and ethical manner. Conduct that interferes with operations or is disrespectful to clients or coworkers will not be tolerated. Employees are to report unethical or dishonest behavior to their immediate supervisor. Employees found to be conducting themselves in an unethical manner may be subject to appropriate disciplinary action, up to and including termination.

Employees of PMsquare regularly have access to confidential information, including confidential client information. It is absolutely essential that confidentiality be respected. Failure to do so may subject the offending employee to appropriate disciplinary action up to and including termination. Please refer to the separate PMsquare Security Policy for guidance on information governance.

REPORTING PERSONAL INFORMATION CHANGES

PMsquare maintains a personnel file for each employee. When changes occur in personal information, such as your name, address, telephone number, number of dependents, or marital status, these changes may affect your benefits, Social Security withholding, and income tax withholding, among other things. It is important that you notify management of any such changes so that our records may be updated.

AT WILL EMPLOYMENT

Employment at this company is at-will. An at-will employment relationship can be terminated at any time, with or without reason or notice by either the employer or the employee. This at-will employment relationship exists regardless of any statements by office personnel to the contrary. Only the Managing Partner of PMsquare is authorized to modify the at-will nature of the employment relationship, and the modification must be in writing.

BENEFITS

OVERVIEW AND ELIGIBILITY

Benefits provided to employees are provided at the will of PMsquare, and PMsquare reserves the right to modify or eliminate benefits without notice under conditions of law. The benefits listed herein are intended to be a general description only.

With certain exceptions, full-time employees and those regularly employed part-time employees who work at least 30 hours per week shall be eligible to receive benefits. PMsquare LLC reserves the right to revise these eligibility requirements without notice.

MEDICAL INSURANCE

As the healthcare laws and offerings change each year, PMsquare will work to find competitive healthcare options for its employees, and these options will likely change from year to year. The healthcare benefit options will be announced with adequate notice prior to the beginning of the year. PMsquare currently offers participation in a group medical plan and a group dental plan. More details about the plan coverage and rates are available from management.

Existing employees are eligible to enroll in medical coverage during open enrollment. New employees are eligible to enroll on the first day of the month following their date of initial employment, or on the first day of their initial employment if that date falls on the first day of a month. Employees are eligible to remain on the

PMSQUARE EMPLOYEE HANDBOOK

group medical plan for three (3) months in the case of short-term or long-term disability, and thereafter the employee will be moved to COBRA.

RETIREMENT PLAN

PMSquare LLC currently provides retirement benefits in the form of a SIMPLE IRA which is managed by American Funds through Northwestern Mutual. The match amount may change from year to year, and employees will receive advance notification of any changes in retirement benefits. Employees are eligible to participate in the IRA if they earned at least \$5,000 in the prior year or they expect to earn at least \$5,000 in the current year.

LIFE INSURANCE

PMSquare LLC currently provides group life insurance benefits with a payout amount of \$50,000, which is payable to an employee's designated beneficiaries following the employee's death. Beneficiaries must be designated in advance. Please contact Human Resources for more details.

DISABILITY INSURANCE

PMSquare LLC provides short-term and long-term disability insurance policies to financially protect its employees in the event of serious illness, pregnancy, or accident. The disability insurance replaces part of your income if you are unable to work due to long term illness, pregnancy, or accident.

The short-term disability insurance replaces your income during short term periods when you are unable to perform your job. Benefits begin after day one for injury and day eight for illness or pregnancy leave, and the benefits are paid out at 60% of your monthly salary, up to \$2,000 per week. The maximum benefit period is 13 weeks.

The long-term disability insurance replaces your income during long term periods when you are unable to perform your job. Benefits begin after day ninety-one of your illness or injury and are paid out at 60% of your monthly salary, up to \$8,000 per month.

There are certain limitations and exclusions from both disability policies. A full description of both policies is available upon request.

PAID HOLIDAYS

PMSquare offers 10 paid holidays per year. These include New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Eve, and Christmas Day, plus a number of fixed holidays which will be designated by management prior to the beginning of the year. Because some of the fixed holidays may fall on the weekend during some years, the exact dates to be observed will be announced by management each year, and an extra floating holiday may be granted to all employees in lieu of dictating which day to observe a fixed holiday that falls on a weekend. In addition, employees may work on a holiday and receive an extra floating holiday if that workday is billable to a client, and if both the client and the PMSquare Managing Partner provide advanced written approval of the working hours.

Employees may observe various holidays by electing to use one of their floating holidays and by giving management reasonable advanced notice of such an election. Floating holidays that are not utilized each year will not accrue from year to year, nor will they be eligible for compensation upon an employee's cessation of employment.

PAID TIME OFF

It is the policy of PMSquare to grant 15 paid time off days per calendar year to full-time employees. Paid time off days can be used for any reason an employee chooses. Paid time off days are accrued monthly and should be taken in the calendar year they are earned. Employees wishing to use one half day for paid time off will be expected to work 4.0 hours.

Upon termination, the amount of accrued paid time off days shall be disbursed at the final rate of pay.

Five paid time off days can roll to the following year, and additional paid time off days can be rolled into future years at management's discretion and prior approval.

PMSQUARE EMPLOYEE HANDBOOK

To request paid time off and for purposes of personnel records, please send an email to hr@pmsquare.com and to your immediate supervisor requesting the dates for which you would like the paid time off.

SICK TIME

In addition to paid time off and short-term and long-term disability leave, PMSquare offers a limited amount of paid sick time that may be used for any purpose related to an employee's general health and wellness. PMSquare offers 2 days of paid sick time per year. Sick time is accrued each year on January 1st. Sick time may be rolled over into subsequent years until a maximum of 8 days of unused sick time are accrued.

Employees who have been working at PMSquare longer than 5 years may request additional paid sick time in a given year if a personal health reason necessitates missing more time from work than can be accommodated with sick time and PTO.

Unused sick days are not eligible for compensation upon an employee's cessation of employment.

Employees who commence employment in the middle of a calendar year will accrue paid sick time according to the following schedule:

- Q1-Q2 start date: 2 days
- Q3-Q4 start date: 1 day

TRAINING AND CONTINUING EDUCATION

Professional development and training are encouraged for PMSquare LLC employees. PMSquare will reimburse the costs of the training upon prior approval by management up to \$3,000 per year.

TRAVEL AND EXPENSE POLICIES

PURPOSE

The purpose of this policy is to:

- Describe the types of expenditures that are reimbursable by the company.
- Inform employees of their responsibilities to control and report travel and entertainment.
- Provide limits on certain types of expenses

EMPLOYEE TRAVEL & BUSINESS EXPENSE GUIDE

This guide is intended to aid the PMSquare business traveler and PMSquare management by setting forth guidelines and reporting requirements related to PMSquare expectations and IRS regulations.

All travelers and Managers bear responsibility for cost-effective business travel. Each Manager should carefully review and approve all Expense Reports. Items not considered reimbursable should be brought to the attention of each employee prior to being submitted to Accounting.

While these guidelines are intended to be comprehensive, it is impossible to anticipate every situation encountered by a traveler. The traveler is expected to apply these guidelines on a conservative basis, consistent with normal living standards and, where the policy is silent, to exercise good business judgment and check with their manager whenever needed.

GENERAL TRAVEL POLICY

It is the Company's policy to reimburse employees for all expenses necessary, reasonable and actually incurred when traveling on authorized company business.

Travel expenses must be properly documented and approved on an Expense Report (through Expensify). It is each employee's responsibility to adhere to policy when involved with expenditures on behalf of the company. Further, it is the responsibility of the manager to be familiar with the reason for the expenditures and to be satisfied that

PMSQUARE EMPLOYEE HANDBOOK

they have been reported in a manner consistent with the recognized policy.

Employees are expected to:

- Exercise good judgment with respect to expenses.
- Spend the company's money as carefully and judiciously as they would their own.
- Report all expenses promptly and accurately with required documentation.

Travel should be booked at least 2 weeks in advance whenever possible in order to manage costs. Before booking travel less than 2 weeks in advance the traveler must secure approval from their manager.

GENERAL PROCEDURES

PMsquare does not utilize a travel agent or have an in-house resource responsible for booking travel. Therefore, unless instructed otherwise, employees will book their own travel for PMsquare or client business.

When booking, the employee will be responsible for obtaining the lowest fares and lodging expenses available. All expenses are recorded and submitted through the Expensify application.

<http://www.expensify.com>

CLIENT-REIMBURSED TRAVEL VS PMSQUARE TRAVEL

All guidelines in this policy apply to PMsquare travel that is not to be reimbursed by a client. Consultants on client projects are subject to the expense policies of the client. General expectations outlined in this PMsquare policy as still apply, but specific amounts allowed and (in some cases) additional restrictions may be imposed by the client. If there are any questions regarding differences between client policies and PMsquare policies, please discuss with your manager.

AIR TRAVEL

All employees traveling via air carrier must utilize Lowest Fare Routing (LFR). LFR is quoted logical lowest fare for the business trip, which will (where possible):

- Provide cost savings for the round-trip air ticket.
- Result in total layover time not exceeding one hour.
- Increase the one-way total elapsed trip time by no more than two and one-half hours.
- Require no more than one interim stop each way.

Exceptions to this policy statement will be allowed with approval by the employees' supervisor so that additional cost is authorized.

International air travel outside of the U.S. and to overseas locations will be by LFR.

All travel reservations should be made as far in advance as possible to take advantage of available discounted airfares.

Business and First-Class travel is not allowed unless it is at the employee's expense. Employees who are enrolled in airline incentive programs are permitted to utilize their personal upgrades along with the expensed booking of the lowest available fare.

Employees will be required to submit all company paid airfare receipts incurred while traveling. Used airline tickets should be attached to your expense report.

CAR RENTAL

All travelers should follow the listed guidelines:

Number of Travelers Class of Car

1-2 Compact or

Intermediate 3-5 Full

Size or SUV

Insurance should not be purchased from the rental agency and will not be reimbursed. All drivers must hold a valid drivers license or a car may not be rented.

Car rentals are generally the most expensive mode of transportation and should only be used when the nature of the trip or the locations of the customer being visited is such that the use of local transportation (i.e. ride-sharing or taxi) is not practical or would be more expensive.

PERSONAL VEHICLE

PMSquare LLC will reimburse an employee for mileage expenses for the use of a personal vehicle in the fulfillment of company business at the rate approved by the Internal Revenue Service. Requests for expense reimbursement should be made promptly through an Expensify.com report which should be submitted to management.

For Chicagoland employees with local and ongoing commutes to clients, PMSquare will reimburse for commutes to a client when the roundtrip commute is greater than 50 miles. However, the reimbursement amount is limited to the difference between the commute to the client and your commute from your home to the PMSquare office. Thus, if your roundtrip commute to the local client is 60 miles, and your roundtrip commute to the PMSquare office is 20 miles, then you would be eligible for reimbursement of 40 miles.

NON-BILLABLE MILEAGE REIMBURSEMENT

Non-billable mileage will be reimbursed as:

[Actual Roundtrip Miles from Home Office] MINUS [Mileage of a Reasonable Commute]

Definitions:

- **Actual Roundtrip Miles:** miles from Home Office to destination and back
- **Home Office:** the place where you work when not billing (this will be your home or shared office (WeWork, zWorks, etc) if you are outside of the Chicagoland area OR the office if you are within the Chicagoland area)
- **Mileage of a Reasonable Commute:** we have defined this as 25 miles (or 50 miles roundtrip)

Example:

- Driving from the office to Milwaukee and back
- [Actual Roundtrip Miles from Home Office] MINUS [Mileage of a Reasonable Commute]
- 179 miles - 50 miles
- 129 miles reimbursable

In addition, all mileage reimbursement should include the map-calculated distance using the Expensify map feature.

RIDE-SHARING SERVICES & TAXIS

Ride-Sharing Services & Taxis should be used when other reasonable and less expensive forms of transportation are not readily available. In traveling away from home, overnight living accommodations should to the extent practicable, be selected to eliminate or minimize the need to use taxis or other local transportation. When taxis are used, they should be shared to the maximum extent possible by employees traveling together on Company business. A receipt for the fare charged must be obtained by the taxi driver.

HOTELS

At the time the hotel reservations are made, the best available rate with reasonable quality accommodations, at the most convenient location, should be obtained. If a traveler has a preferred hotel brand, this brand may be booked if the rate is within 15% of the lowest available rate and the location does not add additional transportation expense.

Hotel expenses greater than \$150/night must be approved a traveler's manager.

PMSQUARE EMPLOYEE HANDBOOK

Upon arrival at a hotel, the traveler should verify that the rate that is shown on the itinerary is the rate they receive.

MEALS

The employee should normally select restaurants which are reasonably priced for the locality and which are consistent with normal living standards.

Total meal expenses per day should not exceed \$60.

CELLULAR PHONES

Cellular phone expenses are not reimbursable.

MISCELLANEOUS

The payment of tips and gratuities should be limited to those situations and services where such payments are normal practice. The amount of percentage of any gratuity paid should not exceed that which is reasonable and customary for the category of personal service. The range of 10-20% is considered applicable to most forms of personal service, including restaurant service.

The following are **not** reimbursable:

- Annual credit card fees
- In-room or in-flight movies
- Personal reading materials
- Airline, hotel and car rental club memberships
- Restaurant count club memberships

RECEIPTS

The Company request that receipts for all expenditures be submitted, and receipts must be submitted for all expenses over \$10.00. Images of receipts taken via a mobile phone are acceptable as long as they are clear and legible. PMSquare will not reimburse expenditure greater than \$10.00 without a receipt.

Note that Expensify will generate an "eReceipt" in most situations for any expense \$75 or less when charged to a credit card linked to Expensify. It is the employee's responsibility to ensure that these are being generated if choosing to submit eReceipts rather than images of actual receipts.

APPROVAL

All Expense Reports must be approved by management. Expense reports must be submitted to the Accounts Payable Department (via an Expensify.com report) within thirty (30) days of first expenditure incurred or reimbursement can be delayed while current reports are processed. Expense reports including expenses incurred more than 60 days in the prior are subject to rejection.

LEAVE OF ABSENCE POLICIES

ELIGIBILITY

A leave of absence is a discretionary benefit of working at PMSquare LLC and is subject to managerial approval. To qualify for these leave of absence benefits, the employee must be a full-time employee and have completed a minimum of one (1) year of continuous full-time employment.

PERSONAL LEAVE OF ABSENCE

PMSquare will make reasonable efforts to consider requests for personal leave of absence. Many factors are considered when determining eligibility for personal leave of absence and is granted or denied solely in the discretion of PMSquare.

While PMSquare is not covered by the requirements in Family and Medical Leave Act of 1993, it is the company policy to grant extended leaves of absences in extenuating circumstances. Every employee on sick

PMSQUARE EMPLOYEE HANDBOOK

leave or family care leave of absence will be required to use all paid time off prior to taking a leave of absence. If you plan to request a leave of absence, please submit your request in writing to management at the earliest opportunity.

PARENTAL LEAVE

This policy replaces the former Maternity Leave and Paternity Leave policies. PMSquare provides a paid 6 week leave of absence for an employee who gives birth to a child. PMSquare provides a paid 1 week leave of absence for qualifying employees who become a parent to a child through someone else giving birth or through adoption.

To qualify for parental leave, the employee must be a full-time employee and have completed a minimum of twelve (12) months of continuous full-time employment. If an employee receiving this parental leave benefit resigns or is terminated within one (1) year of returning to full time employment, all compensation received as a leave benefit must be returned in its entirety and may be deducted from the employee's final paycheck.

An employee who wishes to take Parental Leave must inform his or her PMSquare Manager as soon as practicable so that PMSquare can prepare for the leave of absence. The spirit of this policy is grant additional time to an employee so that he or she can assist with transitioning an additional member into his or her family. As such, the employee's legal custody of the child is assumed and required under this policy. Any situation that does not unambiguously fit into the two categories above will need to be discussed with and approved by a PMSquare manager.

BEREAVEMENT LEAVE

Employees may be granted up to three (3) paid bereavement days in the event of the death of an immediate family member. An immediate family member is defined as any of the following:

- Spouse
- Parent OR Parent-in-law
- Child
- Stepchild
- Grandparent
- Grandchild
- Stepparent
- Sibling

Immediate family members do *not* include the following:

- Niece/Nephew
- Aunt/Uncle
- Grandparent-in-law
- Sibling-in-law

In addition to the immediate family member bereavement allowance, employees may be granted up to three (3) paid bereavement days *one time only during the course of employment* in the event of the death of a person representing a significant personal relationship (who is not included in the immediate family definition as outlined above).

At any time within the three bereavement days granted, an employee can request additional time and it may be granted (paid or unpaid) at the discretion of PMSquare LLC.

JURY DUTY

When called to jury duty or summoned to be a witness in a legal proceeding, an employer is obligated to grant the employee leave. It is the responsibility of the employee to notify management ahead of time when they are scheduled to serve or testify. Employees will be compensated for jury duty provided the employee submits a statement certifying the dates of jury days.

COMPENSATION

Compensation for employment is based on performance. Salaries are established by mutual agreement between the employee and PMSquare. Raises are also based on performance, growth, and productivity. All requests for salary increases will be fairly considered. Employment is based on an as-needed, at-will basis. Compensation programs are confidential between the employee and PMSquare LLC.

As required by law, PMSquare LLC must withhold federal and state income taxes, as well as Social Security (FICA) and Medicare taxes. The amount withheld depends on the number of withholding exemptions you claim.

Employees are paid monthly at the end of each month. Payroll statements will be distributed via email. It is the preference of PMSquare that you be paid through direct deposit.

PMSquare strictly adheres to minimum wage requirements as outlined by the U.S. government and the State of Illinois.

WORKPLACE POLICIES AND PROCEDURES

HOURS

In general, a full-time employee is expected to work 40 hours per week and to be available during normal business hours (9 a.m. to 5 p.m., with some variance depending on the time zone for the client and/or local time zone). The goal of common business hours is to facilitate communication and collaboration both internally and with our clients.

Consultants (Client Engagements) - Consultants on full-time projects for clients should prioritize the client's normal business hours. When consulting onsite at a client office, consultants should arrive onsite at or before the start of daily business hours and depart at or after the end of daily business hours. When working remote, consultants should be online and available (via phone, text, e-mail or team messaging) during client business hours. Occasional deviations from business hour availability (due to travel arrangements, medical appointments, etc.) should be requested directly from the client and the PMSquare manager in advance. Requests for ongoing deviations from business hours (due to time zone differences, etc.) should be cleared with PMSquare management before requesting from client.

Consultants (Bench Time) & Other Full Time Employees - When not engaged on full-time client projects, both onsite and remote employees should be available during normal PMSquare business hours. PMSquare business hours are 9 a.m. to 5 p.m., Monday through Friday, with the exception of company holidays. Occasional or ongoing deviation from business hours should be discussed with and approved by PMSquare management in advance. Flexibility will be afforded when possible as long as goals of productivity and internal communication can be met.

Part Time Employees – Part time employees are expected to be available according to whatever schedule is agreed upon with management. Occasional deviations from this schedule should be discussed with and approved by management ahead of time

All employees are required to record and track their time through our time-tracking tool. If you are a consultant or are involved in customer sales cycles, you may be required to work overtime (i.e. more than 40 hours in a week), in order to meet critical deadlines or demand from sales cycles. Overtime is mandatory when required and is a condition of employment.

If your manager informs you that you are a non-exempt employee under federal law, you must accurately keep track of your weekly work hour, and you must inform your manager if you think you will exceed 40 work hours per week in any given week.

WORKPLACE DRESS

PMSquare LLC requires that employees meet or exceed the dress standards for the clients with which they are meeting with or working with on-site. Employees who are working from home or from the PMSquare office are encouraged to dress in a business-casual manner unless otherwise stated. Please be considerate of the company's image as well as your image with the clients and your co-workers.

ATTENDANCE

Punctual attendance is mandatory for efficient job performance. In cases of absence for any reason, notify your immediate manager and any other person who reasonably should know of your absence.

PERFORMANCE AND EVALUATION REVIEWS

Performance reviews will be conducted annually upon each employee's anniversary. Performance reviews may not necessarily result in a compensation increase. During performance reviews, management will provide feedback to each employee on their performance and expectations for the following year. It is encouraged for employees to be prepared to provide feedback as well.

Annual performance reviews are not the only time for providing or requesting feedback. If at any point, you wish to receive feedback on your performance, we encourage you to reach out to your immediate manager or to another manager within PMSquare if appropriate.

PERSONAL PROPERTY

PMSquare LLC is not responsible for personal property of employees in facilities, vehicles, or parking areas. Any personal items brought on premises deemed inappropriate by PMSquare LLC will be removed without notice.

WORKERS' COMPENSATION

Work-related injuries and/or illnesses are covered by a state-administered program called Worker's Compensation. This program is funded by employer contribution. State law governs eligibility requirements. Notify management immediately if you are injured in any way. It is important that you see a doctor as quickly as possible if you are injured on the job or if you feel you are suffering from a work-related condition. All employees are expected to return to work immediately upon release by their physician. Failure to comply could result in difficulty with the employee's claim.

DRUG-FREE WORKPLACE

The use, possession, or sale of illegal drugs or other illegal substances is prohibited on PMSquare LLC premises or on our clients' premises. Furthermore, employees are not permitted to report for duty while under the influence of illegal drugs, other illegal substances, or legal drugs which are being used in an illegal or abusive manner.

Employees failing to adhere strictly to this policy will be subject to disciplinary action, up to and including termination without further warning. Report any suspected violations of this policy to management.

ALCOHOL CONSUMPTION

PMSquare prohibits the excessive use of alcohol during the workday, at work events, and on work-related trips. Employees who violate this policy will be held liable for all resulting injury, property damage, and/or business losses that occur pursuant to such violation of this policy.

RECREATIONAL NON-WORK ACTIVITIES

At PMSquare events (such as sales events or company parties) or on the premises of a PMSquare or client worksite, you may have the opportunity to engage in recreational activities. Such activities may include (but are not limited to) ping pong, use of a hover board, arcade gaming, etc. You are not required to engage in any of these recreational activities. Although these activities may be performed alongside coworkers, they are generally outside of the scope of your employment at PMSquare, and you engage in these activities strictly at your own risk. PMSquare will not be liable if you are injured during one of these activities, nor will PMSquare be liable for personal injury to others or property damage you cause by engaging in these

activities.

ANTI-HARRASSMENT POLICY

HARRASSMENT PREVENTION

PMSquare LLC prohibits harassment based on sexual orientation, gender identity, race, religion, color, national origin, age, veteran status, or any other status protected by law in the workplace. Harassment includes verbal conduct; physical conduct; or visual, print, or electronic communications or data that belittles or shows hostility or aversion toward an individual because of any status protected by law, that:

- has the purpose or effect of creating an intimidating, hostile, or offensive work environment;
- has the purpose or effect of unreasonably interfering with an individual's work performance; or
- otherwise adversely affects an individual's employment opportunities.

If you believe you or any other employee is being harassed, it is imperative that the matter be taken to management. All inquiries or complaints will be investigated by the company promptly, thoroughly, and as confidentially as possible for the protection of those involved. Appropriate disciplinary action, up to and including termination, will be taken against any individual for harassment charges determined to be valid.

WORKPLACE VIOLENCE PREVENTION

Threats of violence and acts of violence are strictly prohibited. Conduct that threatens, intimidates, or coerces another employee, client, or member of the public will not be tolerated. This includes all acts of harassment that are based on an individual's race, color, national origin, sex, sexual orientation, age, disability, or any other protected status.

Firearms, weapons, and other dangerous or hazardous devices are prohibited on company and/or client premises. A "weapon" can also be any object which would do harm to another when used as such. PMSquare LLC shall deem any such object a weapon for the purpose of enforcing this policy. Employees threatening or committing acts of violence will be subject to appropriate disciplinary action, up to and including termination.

SEXUAL HARRASSMENT PREVENTION

It is the objective of PMSquare LLC to provide a working environment free from discrimination and conduct commonly referred to as sexual harassment. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal sexual conduct, physical conduct, or visual, print, or electronic communications or data of a sexual nature.

Sexual harassment may include, but is not limited to, intentional physical conduct that is sexual in nature; sexually oriented gestures; noises, remarks, jokes, or comments about a person's sexuality or sexual experience; repeated unwelcome requests for a date or romantic relationship; and the display of pictures, posters, calendars, objects, or reading materials or other materials that are sexually suggestive, sexually demeaning, or pornographic.

Sexual harassment may include behavior in which is inappropriate in the workplace because it is offensive, unwelcome behavior which would not occur but for the sex of the offended person. Sexual harassment, accusations of sexual harassment and inappropriate sexual relationships are disruptive to the work environment and will not be tolerated at PMSquare LLC.

If you or a co-worker experiences what you believe to be sexual harassment or accusations of sexual harassment, report it promptly to management. All inquiries or complaints will be investigated promptly, thoroughly, and as confidentially as possible. Appropriate disciplinary action, up to and including termination, will be taken against any individual for sexual harassment charges determined to be valid.

DOMESTIC VIOLENCE

PMSquare recognizes that domestic violence can have an adverse impact on all aspects of an individual's life, including an individual's job performance. PMSquare LLC will assist employees affected by domestic violence,

PMSQUARE EMPLOYEE HANDBOOK

both the victim and the abuser, within reasonable guidelines. Information will remain confidential as long as the safety of others is not at risk.

DISCIPLINE POLICY AND TERMINATION OF EMPLOYMENT

Employees found to be in violation of company policy will be given official notice of the infraction. Reasonable attempts will be made to constructively resolve the problem. Appropriate disciplinary action, up to and including termination, may be taken if the violation continues.

Employees at PMsquare LLC are not given tenure. An employee of PMsquare LLC may choose to resign or terminate employment at any time.

Final compensation will be paid with the next regularly scheduled payroll. The check will consist of regular earnings and earned vacation time, if applicable. Employees choosing to terminate their employment are required to return all company property. **Employees are strictly prohibited from copying, duplicating, erasing, or removing data from company laptops at any time during or after the course of employment, unless such action is specifically approved by management. Employees will be personally liable for any losses to PMsquare LLC upon violation of this policy.**

PMsquare LLC may terminate employment at any time and for any reason. If an employee is terminated for a severe violation of policy, he or she may be escorted from the premises immediately. Any personal property and a final paycheck will be given to the employee upon receipt of all company property, but in no event earlier than the next regularly scheduled pay date. Severance benefits, if any, are offered within the complete discretion of PMsquare LLC management.

COMPANY PROPERTY AND EMPLOYMENT RESTRICTIONS

COMPUTERS AND RELATED EQUIPMENT

PMsquare employees may use their own laptops or desktop computers for work purposes if they comply with PMsquare Security Policy (hard drive is encrypted, virus scan installed, OS patching up to date, etc.). If, however, an employee does not have a personal computing device that is sufficient for work purposes or prefers to use a separate device for work use only, PMsquare will provide a company laptop. Devices provided are standardized (though the standard devices may vary based on the needs of a particular role in the company), and the device models provided may change periodically.

Company laptop replacement is at the discretion of PMsquare management but will generally be considered if device is over 2 years old and the speed of the device is meaningfully slowing the pace at which an employee can work.

PMsquare subcontractors must bring their own device that complies with the PMsquare Security Policy (as well as any client security policies)—PMsquare does not provide laptops for subcontractors.

Employees are responsible for keeping work computers patched, encrypted, and running with up-to-date virus scan, regardless of whether a personal device or company device is used. Computer games and personal software may not be installed on company computers or laptops. Employees are expressly prohibited from allowing any third party to use company provided computers, laptops, or related equipment. Furthermore, employees should not use any company equipment to violate any city, state, or federal laws. Further details and additional requirements can be found in the PMsquare Security Policy.

Conducting company business on the internet must be done following all guidelines and policies for conducting business in conventional settings. All emails, sent or received, are company records and as such, are accessible to appropriate management members. There is no reasonable expectation to privacy with the use of company computers, laptops, email, or voicemail.

When attaching documents to email, ensure that you are not attaching overly large files and distributing to multiple internal resources. If a large file needs to be distributed to multiple internal resources, utilize the

PMSQUARE EMPLOYEE HANDBOOK

company SharePoint site for distribution and collaboration.

Please use standardized formatting of signatures in your email messages. You may be asked to include a link to an email disclaimer. Where images are present, properly sized images should be used as to not overwhelm email servers with large attachments. During certain times of the year or before certain events, you may be asked to add links or graphics to your signature.

NON-DISCLOSURE OF CONFIDENTIAL INFORMATION AND TRADE SECRETS

As a matter of course, employees of PMSquare LLC will have access to confidential and proprietary information. This information includes, but is not limited to:

- personnel information,
- pricing,
- client lists and/or client identities,
- client contact information,
- contractual agreements,
- intellectual property (including trade secrets and technical information that relates to software solutions and other innovations created by PMSquare),
- marketing/sales strategies, and
- any other company information or client information.

Absent PMSquare's prior written approval, you are prohibited from disclosing this information to third parties and/or using this information for your own personal benefit during employment or within 5 years after employment with PMSquare. In addition, if you contribute to the development of intellectual property or other innovations which belong to PMSquare, you may be required to sign a separate agreement disclaiming any personal interest in such property or innovations.

USE OF CELL PHONES WHILE DRIVING

PMSquare LLC is concerned about the dangers of distracted driving. Recent deadly crashes involving drivers distracted by talking and texting while driving highlight a growing danger on our roads. Therefore, PMSquare will not tolerate texting or talking on a hand-held phone while operating a vehicle during regular working hours or while commuting to or from any work site. This includes, but is not limited to, answering or making phone calls, engaging in phone conversations, reading or responding to e-mails and text messages. PMSquare employees should:

- Turn cell phones off or put on silent or vibrate before starting the car.
- Pull over to a safe place if a call must be made or received while on the road.
- Consider modifying voice mail greeting to indicate that you are unavailable to answer calls or return messages while driving.
- Inform clients, associates, and business partners of this policy as an explanation of why calls may not be returned immediately.

Violations of this policy will lead to reprimands as management sees fit. Signing the Acknowledgement indicates your agreement to abide by this policy.

DISCLAIMER

THIS EMPLOYMENT HANDBOOK IS NOT AN EMPLOYMENT CONTRACT. Nothing contained in this handbook, or any written or oral statement contradicting, modifying, interpreting, explaining or clarifying any provision of the handbook, is intended to create, or shall create, any express or implied contractual obligations that are binding upon either PMSquare LLC or you. This handbook is intended to provide you with information about PMSquare LLC policies and practices that are currently in force. These policies and practices are subject to change unilaterally at any time, without prior notice to you. As an at-will employee of PMSquare LLC, you may terminate your employment at any time, with or without cause or notice, and the company retains the same right.

RECEIPT OF EMPLOYEE HANDBOOK

I acknowledge that I have received, reviewed, and understand my personal copy of the PMSquare LLC Employee Handbook. I understand that I am responsible for familiarizing myself with and abiding by the conditions of employment, policies, and regulations contained in this Handbook. I understand and agree to the company policies set forth herein.

It is understood that, from time to time, circumstances will require that the policies and procedures described in this Handbook will be amended or modified by PMSquare LLC. All effective changes will be placed in writing and may occur at any time, with or without prior notice. I also understand that it is my responsibility to contact management or the Managing Partner if I have further questions or require any further explanations.

If you were an employee of PMSquare prior to receiving this Handbook, you will be compensated in exchange for agreeing to the policies in this Handbook. Your signature below is acknowledgement of, and agreement to, such compensation.
